

Judging School and Membership Meeting

Happy New Year to all. The Northeast Chapter will be holding a Judging School geared toward members with minimum prior experience as a judge. This will be a 1 hour plus school worth 1 judging point. Although the school is intended for newer NCRS members all members are invited to attend. We are sure that there will be something for every level to learn.

Location: Center Station, 460 Amity Road, Bethany, CT, 06524

Center Station is the old fire station in the center of town that has been completely re-purposed and rebuilt. We have rented the conference room on the North side of this building. Amity Road is also state route 63.

Date: January 27, 2024
